

The Revelstoke Skating Club is looking for a Head Club Coach/Senior STAR skate coach for the 2021/2022 season. Our season runs from September/October to March. We have approximately 60 skaters with 11 hours of ice time per week. Ice times are early morning or after school Monday- Friday.

The preferred candidate will be motivated to:

- coach skaters of all levels, up to Gold level
- coach all disciplines of skating (skills/freeskate & dance) to all ages and skill levels
- provide instruction in both private and group situations
- attend competitions and test days over the season
- choreograph individual programs for tests and competitions
- create group programs for ice shows
- provide and supervise dryland/off ice training (if available)
- work well in a team with other freelance coaches, assistants, parents, and board members
- provide a positive work environment and be organized and reliable

The city of Revelstoke is a small mountain community that is very active, creative, and caring. The community has many outdoor recreational opportunities, including a new world class ski resort. Revelstoke is attracting many young families and we are excited about promoting the sport of figure skating in our town. The ability to relocate to our wonderful community would certainly be preferred.

The successful coach will provide a Criminal Record Check, a current First Aid certificate and a current NCCP coaching certificate.

Wages are negotiable and may include mileage and bonuses.
